

RR-AN-76:

Eagle in flight above the forest, sunset scene looks very beautiful. Red sky, red clouds, foggy forest, all these consist of great picture.

Look at this eagle, beautiful but powerful. This is totally hand painted, art value feeling strong.

See that paws, we know, eagle paws are very strong and sensitive, means powerful.

In China, people like hang up the photos on the wall of office, or home reading room, means the host hope his or her business or study successful and powerful.

Now people change the photo to handmade oil painting to decorate, meaning unchanged but the quality improved, art value employed.

The swings are very big and full, means its ability of flying, can be a long time, be far away.

The artist did a perfect control for the colors and lights to this oil painting, you can sense a lot step by step from the painting on its art feel.

Wild animal oil painting.
